NORTH STAFFS ROAD RUNNERS ASSOCIATION APPLICATION FOR MEMBERSHIP

The NSRRA is an Athletics Club affiliated to staff's AAA and UKA. Its aim and objectives are to encourage and facilitate road running: and, secondly, to stimulate and foster participation and friendly competition at a variety of levels in road running. Membership is open to all amateur athletics who have attained the age of 18 years and who normally reside in or are members of athletics clubs in the North Staffordshire and adjacent areas.

The Association caters for runners of widely differing abilities from first-class athletes to genteel joggers. It organises its Group or League competitions on the basis of the demonstrated current ability of each member and it is therefore necessary for new members to provide the six best results achieved in races during the preceding 12 month. If you have not competed in 6 races in that period, you are nevertheless welcome to join us immediately but we will not be able to place you in one of our Groups until you have submitted six results. In all cases, the initial allocation is provisional and may be reviewed.

The details you are asked to supply below , together with your performance in races in our programme, are stored in and processed by computer solely for the administration of the Association's affairs. We could not cope with a membership of several hundreds without being "computer -aided". We must therefore ask your permission to include this information in our computer files but we do assure you it will be used only by the Association and only for its routine business.

If you want to join complete the form below, preferably in CAPITAL letters, and return it to **Steve Locker, 7 Michigan Grove Trentham, Stoke-on-Trent, ST4 8UF.** Full information on the Association's current programme ect will then be sent to you as soon as possible.
